It’s Carers Week again and this year the theme is ‘The True Face of Carers’. Carers’ Week, June 13 - 19, celebrates and highlights the wonderful work that thousands of unpaid carers do every day and, so very often, at the expense of having a life themselves.

To help celebrate and to show our appreciation for all the hard work carers do, the Project is incorporating a special event in with our Sowerby Bridge support group on Wednesday June 15 from 12.30pm to 3pm at St Paul’s Methodist Church, Sowerby Bridge. All carers are welcome and we will be arranging a variety of activities from good old fashioned keyboard tunes from one of our carers, to a little bit of magical wonder from Andy, the magician and there will also be a quiz.

Some of you may want to relax and unwind by taking a therapy or two, or just come along for lunch and for what should be a fun day for all. For further details contact Lesley or Wendy.

We are also holding some information/celebratory displays at several GP surgeries in and around Calderdale. For more details, contact Judith on the number below.

Looking After Me continues to be very successful. Our recent course was completed by 15 carers. We have organised another course to start on June 9 and to run each Thursday until July 14. The course will be held at Elim Church, Hall Street, Halifax starting at noon with a light lunch. LAM includes topics on better breathing, relaxation techniques, problem solving, healthy eating, setting goals and much more.

Looking After Me brings more

Deadline set for small grants

The deadline for the next round of small grants is Friday June 24. Carers can apply for up to £250 to help with a break from caring responsibilities. The Carers Small Grant Scheme is administered by the Carers Project on behalf of Social Services. It can be used for outings, therapies, courses or anything to make your caring responsibilities a bit easier but if you have had a grant in the past, it must be at least three years since you last received a grant. Contact us for more details on who can apply and we’ll send you an application form.

Drop in for a cuppa

Come and join us for a carers’ coffee morning. This is your chance to meet staff, find out more about what we do, have a coffee and relax! We hope to see you there on Tuesday July 26. Just pop in to the British Legion building at the bottom of Hopwood Lane in Halifax. We’ll be there from 10.30am to noon.

‘No Health without Mental Health’

‘Making sense of it for me and mine’

‘Inclusion North’ works in the north east and Yorkshire and Humberside to promote the inclusion of people with learning disabilities, their families and carers. Their aim: ‘To make things better for people with learning disabilities’. Sessions are being held by Inclusion North to make sense of the Mental Capacity Act and Deprivation of Liberty Safeguards (DOLS). This is an important way of protecting the rights and liberty of people with learning disabilities.

The sessions are for family members and family carers from Calderdale and as places are limited, it is advisable to book early.

Sessions to be held on Friday 27 May at Shibden Mereside Café from 9.30 to 1.00pm. To book a session contact Paul Gledhill on 01422 393368 or via email: paulgledhill@calderdale.gov.uk.

Ready for the switchover?

What’s this digital switchover? Perhaps this is a question you keep asking yourself. The switchover to digital transmission starts on 7 September 2011.

Are you already digital? If you only have analogue TV services (four or five channels) any TV you want to keep watching after the switchover will need to be converted with a digital box. If you have more than five channels on your TV set, it is likely to be digital already. If you only have digital TV on your main set, you’ll need to think about converting any others. If you have Freesview, you’ll need to re-tune at each stage of the digital switchover.

If you have satellite or cable for all your TVs, you are not affected by the switchover.

For more information, search ‘Frequently Asked Questions’ on www.digitaluk.co.uk/find.help or telephone 08456 505050.

New mentoring partnership

Scope Aspire Services, who provide support to disabled people in Calderdale, have recently added mentoring as part of their service. This free service will provide a volunteer mentor who will help a disabled person to realise their full potential. Through this partnership approach, a goal such as starting college, travelling independently or joining a social group can be achieved.

Aspire also provides the opportunity for disabled adults to join staff at the service with a multitude of volunteer placements.

New training sessions are starting all the time and interested parties should call 01422 367544 or email: aspire.mentoring@scope.org.uk for more information.

For ex carers and carers.

Contact Roy/Jocey 01422 381382/245388.

Lunch club

3 C’s Lunch Club meets on last Friday of each month at 12 noon at The Salvation, Bull Green, Halifax.

For carers, cared for and ex carers. Contact Pat 01422 363532
Come follow - or even perhaps join the band

Do you play a musical instrument? We already know one or two carers who play and thought there must be more. So what instrument do you play? What type of music do you play? Are you interested in meeting up with other musicians and making music? It’ll be a laugh if nothing else – so ring Wendy if you’re interested.

It’s two for the price of one at the cinema

Regular cinemagoers will be pleased to learn that there is a national card that can be used to verify that the holder is entitled to one free ticket for a person accompanying them to the cinema. This will give you two tickets for the price of one. An application form has to be completed, and proof is needed that you are in receipt of Disability Living Allowance or Attendance Allowance or you are a registered blind person. The card is valid for one year from the date of issue and a processing fee of £5.50 is chargeable per card. Visit the CEA card website or telephone 0845 1231292. Many cinemas are equipped with a system that delivers audio description through a headset, which is provided when you collect your ticket.

The audio description runs each time the film is shown and is undetectable to anyone not wearing a headset. This means you can attend any screening of films with audio description and sit anywhere in the auditorium. To find out which cinemas provide audio description telephone 0845 0569824 or e-mail ad@yourlocalcinema.com

REMINDER

Have you got an emergency back-up plan? Have there been any changes to your plan? If you have any changes to your Emergency Back-up Plan such as a change of telephone number or GP surgery, please keep us up to date so that we can make the amendments to your plan. Call Janet on 01422 369101.

How to find ways to help online

There is a website for family members and friends of people with psychosis. The site - mentalhealthcare.org.uk - gives up-to-date, evidence-based information about schizophrenia, bipolar disorder and other mental health problems that may involve the symptoms of psychosis. There is information about causes, symptoms and treatments. The site aims to help relatives and friends in their caring role.

● Every library in Calderdale offers free internet access. You can book a computer for up to two hours a day. To find out more go to: www.calderdale.gov.uk/community/libraries/services/internet.html

Calderdale’s own Gateway to Care

Calderdale’s Gateway to Care can provide a ‘Companion Pass’ to anyone with a disability who needs accompanying while travelling on public transport. Tel: 0845 111 1103 for more details. If Calderdale’s Leisure Services are advised when a disabled person, who needs to be accompanied, is applying for a Passport to Leisure, that facility can also show that a carer can go too.

Want it on e-mail?

Some people may prefer to receive their newsletter by e-mail. If this is your choice, please send us an e-mail to this effect and we will do the rest. Send it to enquiries@calderdale-carers.co.uk

Thanks for your response

Many thanks to those of you who took the time (and paid for the stamp!) to return the recent questionnaire. We received 89 forms and are now spending some time analysing the results. We can tell you that the services most used by carers are those to do with information - information through the post or over the telephone. We are pleased to hear that carers find these services either ‘very helpful’ or ‘helpful’. We’ve received a great deal of positive feedback about the support that we offer, so thank you very much. There have also been some suggestions for new support, so watch this space as we think about how to give you more of what you want.
